

# Video Recording Guidelines & Instructions

CS 212 - Web Programming I

## Guideline - 1

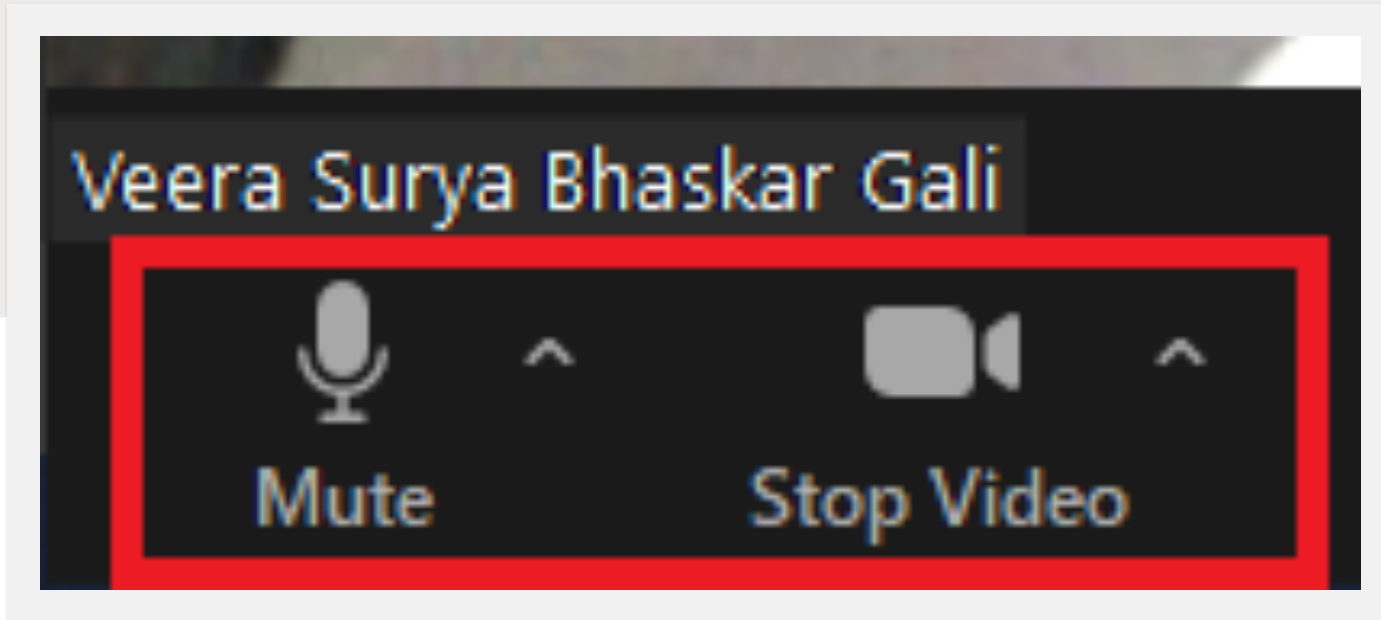

- Duration: 3 - 5 mins

### **Note:**

**Video Presentation which is  
> 5 minutes or < 3 minutes  
will result in deduction of  
20% points in assignment.**

## Guideline - 2

Requires both audio and video of the student while presenting the screen.

**Note:**

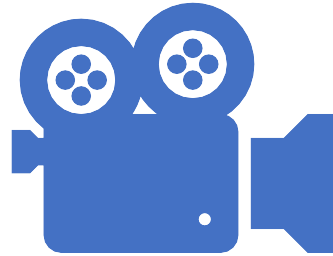

**Failure to share both audio and video will result in 0 points for the recording points.**

# Guideline - 3

- You can use Zoom(preferred) or Microsoft Teams to record your video presentation.
- Make sure you grant the view permissions to the instructor before submitting the assignment.

**Note:**

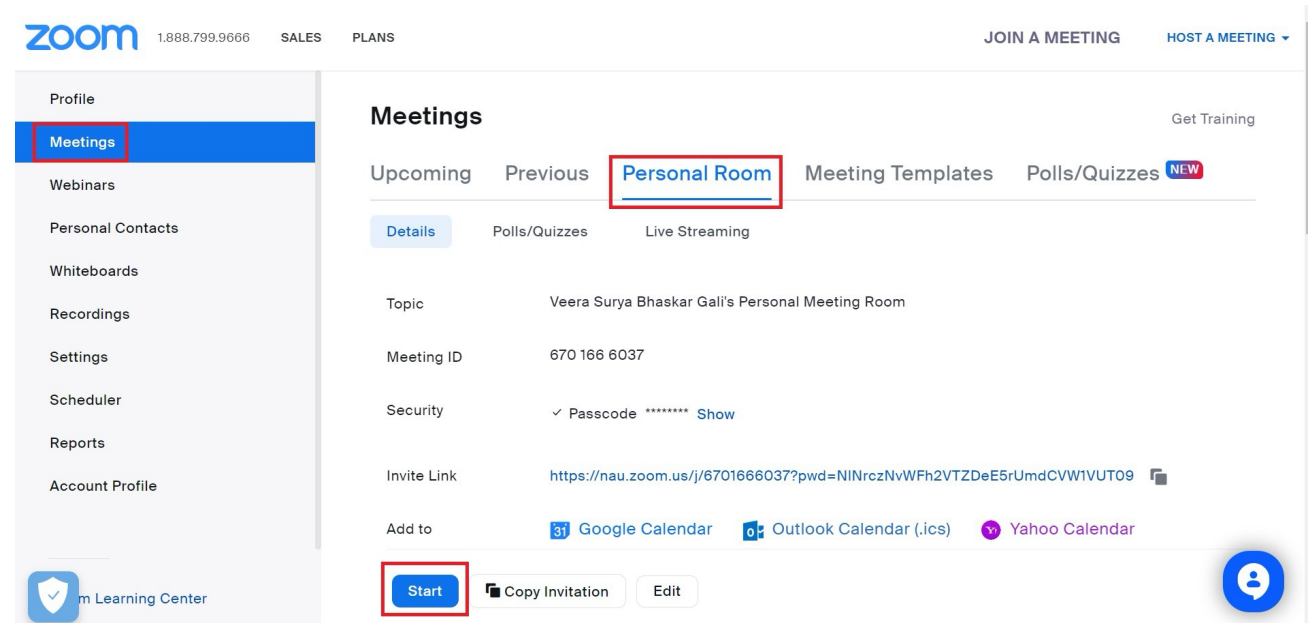

**Failure to do so, will result in 0 points in the recording points.**

# Video Recording & Submission Instructions

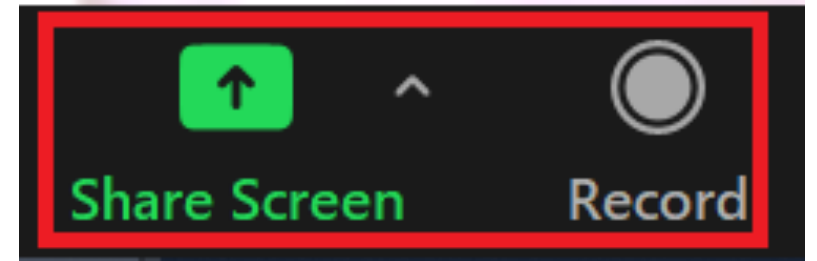

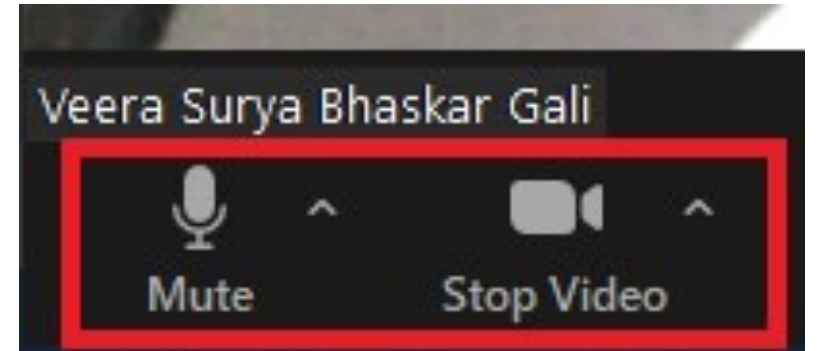

# Instructions for Video Recording

- Go to <https://nau.zoom.us> and login with your NAU account.
- Navigate to the 'Meetings' section in the left-hand navigation bar.
- Select 'Personal Meeting Room' in the top menu bar.
- Click on 'Start' button.

# Instructions for Video Recording

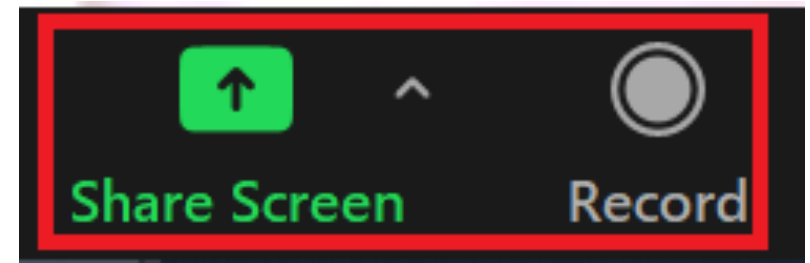

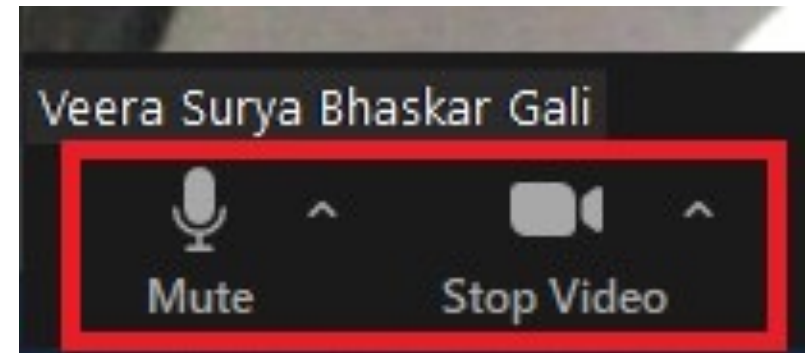

- Now turn on your audio and video.
- Now click on 'Share Screen' icon (make sure "Entire Screen" tab is selected in the popup) and click on share button.
- Note: Make sure you are sharing the entire screen and your video and audio devices are proper before recording.

# Instructions for Video Recording Contd.

- Now hit the record(or “Record to Cloud”) button and start recording the video for your homework assignment.
- **Note: Don’t select “Record to Local”, this will not upload the video recording to the cloud and generate the recording URL. Make sure you are recording it to cloud.**
- Once you are done with the recording, stop the screen share and stop the recording.

# Instructions for Homework Submission

- After completion of recording, Go to <https://nau.zoom.us>
- Select the 'Recordings' tab in the left-nav bar.
- Choose the latest Recording and Copy the Shareable Link of the recording.
  - Make sure the recording is within the range i.e., within 3-5minutes.
  - Make sure the audio and video is proper along with the screen share.
- Submit the recording URL.

Thank you  
&  
All the best for your Video Presentations
